Our master-planned resort continues to grow. As lodges are completed, individual condos are being sold, primarily as 2nd homes. Owners have the option of making their condos available for nightly resort rental while they are not using them. This creates an enjoyable atmosphere, with income potential for your home away from home.

Rustic, log-sided lodges nestled in a secluded forest along the shores of beautiful Table Rock Lake. Just 4 miles west of the theatre and shopping district, you're close enough to be convenient, yet far enough away to experience a true Ozark Mountain lake retreat. Located on picturesque Indian Point between 3 marinas, Silver Dollar City and championship golf. THE VILLAGE truly is the best of both worlds ... Branson AND the Lake in one magic location!
