BROKER

Established 1977

This charming 16 room quality built home has a Mother-in-law apartment in lower level with level walk-in entrance, and is located in the downtown Branson area walking distance to downtown Branson and The Landing. This home has just been updated in 2011. This beautiful home has lots of extras; 3 antique chandeliers, custom stain glass front door and window, custom drapes; foyer has marble floors, great kitchen with 2 large food pantries washer/dryer hook-ups both up and downstairs, 3 large walk-in closets, large office/den has lots of built-in cabinets w/ book shelving and built-in sink it also has a outside entrance as well.

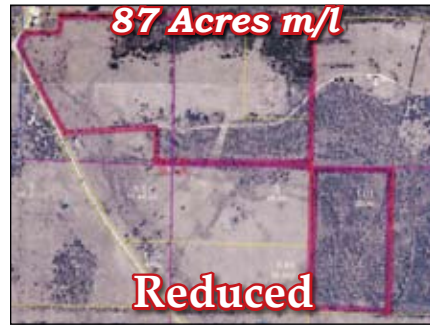

In 2011 two new 90%E gas furnaces & air conditioners were installed. The lawn features a wonderful antique rod iron fence around the front of the house also beautiful flower gardens and landscaped yard with an irrigation system. The house includes large 11'x18' screen-in porch, also 3 covered porches, two decks. If you have antiques this is a great home for them.
